INTRO

The Rift Daemons are monstrous servants of the Havoc Gods, who emerge from beneath the surface of Tyria. Their forms vary greatly, depending on which god they serve, and they are accompanied by a variety of daemonic beasts.

Daemons serve the strange and alien wills of their gods, emerging from the Great Rift and sewing Havoc throughout Tyria. The Daemons are cast offs of dying gods who desperately hope to buy more time for themselves, ready to leave nothing but havoc in their wake, just in hopes of extending their own lives for a little longer.

BACKGROUND STORY

Rift Daemons are born from the last survivors of a pantheon of dying gods, known to Tyria as the Havoc Gods. Desperate to survive, these gods sought out followers from the lost and desperate, and offered them power in exchange for worship. Those who rejected these gods came to know them as Havoc Gods due to the zealotry of their followers and the unrest that they caused.

The Havoc Gods came to Tyria soon after Voidgates had been discovered. As mages and adventurers activated Voidgates throughout the land, the influence of Havoc began to spread. The Havoc Gods saw Tyria as a fascinating plane due to the diversity of its peoples, where they could find all sorts of different new followers.

Daemons were sent into Tyria by their gods, spreading throughout the plane. They sought out followers for their Gods, either through promises of power, or shows of force. They found followers throughout Tyria, whom they guided to conquer others. Treachery, war, and bloodshed became commonplace as the Havoc Wars began. Daemons were seen throughout the continent, fighting alone or alongside mortal allies, as they and their masters threatened to overrun the plane.

The Havoc Gods were on the verge of victory when they fell into a desperate trap set by their enemies. The most powerful mages of Tyria gave their lives in a ritual that managed to seal the Havoc Gods into the Orb of Fate. Suddenly severed from their creators, the forces of Havoc were defeated. The surviving Daemons fled and hid throughout Tyria, escaping wherever they could, while their foes enjoyed an era of peace and prosperity.

This peace was brought to an abrupt end when, centuries later, the orb was broken by the heirs of the most powerful Human Empire in Tyria. The Havoc Gods were freed, and the power unleashed by the broken orb tore through the heart of Tyria, scarring the land and opening a massive fissure, cutting through much of the plane. This great scar became known as the Rift, and from it, the Daemons began to emerge once more into Tyria.

The Rift Daemons are eager to return to their masters and avenge their defeat. They have already spread throughout many corners of Tyria, and their hordes grow steadily with each passing day. With their old foes complacent and divided, there are few who can stand against them while they are ready to once more bend Tyria to the will of their gods.

How will you bring glory to your god?
